

FLORIDA REGIONAL SERVICE COMMITTEE OF NARCOTICS ANONYMOUS

Is hosting its 9th Florida Service Symposium:

March 25th - 28th 2021

Naflorida.org/fss

Virtual platform

“Invest in our Vision” is the theme for 2021. This event was explicitly developed as a vehicle to expand communication between professionals who may directly or indirectly render services to people in the recovery community or those recently entering.

The event held in 2019 was well attended by a wide range of professionals ranging from Addiction Specialists, Mental Health Professionals, Law Enforcement Agencies, and Judicial System members. In addition to the professionals, approximately 315 members of our recovering community attended this three-day event. The demographics of the recovering attendees were as varied as the experts. The attendees hailed from the USA, Canada, Bermuda, Puerto Rico, and Costa Rica.

The diverse composite of the professionals and members of the recovering community illustrates the inspiration of our primary purpose. We invite you to join us again at the upcoming 2021 symposium on Thursday, March 25th, at 1 pm. Your participation as an expert in the Public Relations and Professionals break out room discussions will help us better work in cooperation with the professional community. We all strive to help individuals in our communities suffering from addiction to find a better way to live. Your participation fosters growth.

There are no registration costs. We look forward to your attendance and hope to see you at the symposium via Zoom. Please go to Naflorida.org/ffs for more information or see the attached registration form and schedule.

Sincerely,
Florida Regional Service Committee
